

Pressure Care Training & Product In-Service with Seating Dynamics (SDL)
Presenter: Malcolm Turnbull (Managing Director SDL)

Established in 1997 as Seating Dynamics Pty Ltd, and rebranded as SDL in 2008, SDL has been providing quality solutions for pressure care, mobility and positioning through a network of specialized dealers such as Lifehealthcare for over a decade. Managing Director, Malcolm Turnbull, has been a wheelchair user since 1980 as a result of a motor vehicle accident. He began using ROHO cushions in 1983 and has been using them ever since. Malcolm has worked in the rehab supply industry both here and in the UK in various roles since 1994, led workshops at the International Seating Symposium, at the Australian Wound Management Association Conferences and presented to a wide range of specialists including Occupational Therapists, Physio Therapists, Nurses and Doctors.

This 3 hour training session will look at some basic principles of seating, pressure sore identification and classification and the application for products towards creating successful solutions for your clients. Some of the brands to be featured include: ROHO cushions & mattress overlays, Body Point Positioning Products & V-Trak.
