## ROHO - Air Lite

permobil

ROHO

The AirLITE Cushion improves the ability to transfer by lowering the front and middle of the cushion $3 / 4$ inch ( 2 cm ), while keeping its strong positioning capability by deepening the leg troughs. The lower height also contributes to a greater feeling of security in the chair.

- Designed for clients with tactile sensation who are at low risk of developing skin breakdown
- Contoured foam base with an internal sealed air cell provides comfort and support for basic positioning and pressure management needs
- "Bottom-Out" Protection: The non-adjustable ROHO AIR FLOATATION ${ }^{\top M}$ air insert built into the cushion under the ischials has been enhanced to provide better bottom-out protection
- Softer Foam: Softer foam allows the cushion to conform to the individual's physiology and provide a more comfortable seating surface
- Durability and Simplicity: The 24 month warranty shows our confidence in the quality and durability of the product. The AirLITE is an off the shelf, ready to use product. No adjustment is required
- Heavy Duty Cover: The cover design, with full zipper coverage, provides enhanced fluid resistance to protect the foam. At the same time, the cover is $100 \%$ PVC free, reinforcing ROHO's commitment to more environmentally friendly products
- All models include: 2 way stretch cover, Hand pump \& Repair kit, Operating instructions

## Warranty Information

- 1 Year
