

JAY J2 Cushion Covers

- J2 cushions are available with the choice of three cover options -
- Stretch (allows for proper immersion and prevents the increase in pressure resulting from surface tension)
- AirExchange (promotes airflow and dissipates heat and moisture to keep the surface and the client clean and dry)
- Moisture/Incontinence-Resistant (helps with incontinence management by protecting the foam base from moisture build-up)

✔ Contracted DVA product

✔ Contract approved
