

## DermaSaver Arm Tube with Knuckle Protector

- Soft and loose with ample airflow reaching the skin allowing for greater healing ability whilst offering protection
- Two cushion layers of MicroSpring Textile protect fragile skin from friction and pressure that can cause skin tears, bruising and abrasions, plus added knuckle protection
- Sizing: simply measure the circumference around the widest part of the forearm. For borderline measurements, choose the larger size to ensure comfort

- ✔ Contracted DVA product
- ✔ Contract approved
