

M300 PS Jr

permobil

- **Adventure awaits... indoors or out!** The Permobil M300 PS Jr combines the capabilities of our M300 base with the versatility of the PS Jr seating system for the perfect paediatric chair. With a tight turning radius, you'll be able to manoeuvre through your home with ease, while our innovative CATLink (Climbing and Traction Linkage) System increases capability to get over obstacles and helps prevent high-centering
- Climbing and Traction Link System (Catlink Suspension) provides a smoother ride, even over rough terrain, to help you handle the adventures ahead
- The expandable seat pan allows for a custom fit, so the chair can grow with the child
- Highly configurable legrests allows you to maintain proper positioning as you grow
- Perfectly positioned armrest with unique rotation and flip back movements that allow for easier transfers
- A variety of adjustments and accessories for added comfort are available
