

## Vicair Liberty Profile Air Exchange

- Vicair Liberty Profile is an easy to use and comfortable cushion for occasional use
- Designed for comfort in combination with a low to medium level of support and pressure ulcer prevention
- The Vicair Liberty Profile has an integrated foam base with a semi-circle cut out at the location of the sitting bones
- Vicair Liberty cushion with more stability thanks to the shape of the integrated foam base
- Air valves automatically adapt the cushion to your body shape and weight
- Two compartment layout limits sliding
- Easy to clean and disinfect
- Comfortable and rain proof
- An occasional use wheelchair cushion
- For extra comfort the Vicair Liberty Profile is available with an Air Exchange cover. This cover is made of 3D mesh fabric, to make it extra breathable and comfortable
- Incotec Cover available for use in all situations where incontinence and hygiene is an issue, fluid and incontinence resistant, machine washable
