

Hoselink Classic Retractable Hose Reel

The Hoselink Classic Retractable Hose Reel combines high-quality materials, effortless automatic retraction, and durable outdoor performance. Designed to keep your garden tidy and watering simple, this wall-mounted reel features a gentle stop-anywhere locking mechanism and a robust spring-loaded hose for everyday use.

- **Effortless Automatic Retraction:** Smooth spring-loaded mechanism retracts the hose neatly back into the reel with a gentle tug once watering is complete.
- **Stop-anywhere Locking:** Secure the hose at any length to suit your watering needs and eliminate excess hose on the ground.
- **20 m and 30 m Hose Length:** Includes up to 30m of quality PVC hose, ideal for medium-sized gardens and outdoor spaces.
- **Durable UV-Resistant Construction:** Polypropylene reel and casing with UV protection helps withstand harsh weather and daily outdoor use.
- **No-Burst Hose Fittings:** Hose and fittings are BPA, lead and PFAS free, providing reliable performance without leaks or splits.
- **Wall-Mounted Design:** Space-saving installation with a sturdy mounting bracket that keeps your outdoor area neat and accessible.
- **Comfort Spray & Accessories Ready:** Works with Hoselink's range of spray guns, wands, and accessories via quick-connect fittings.
- **Easy to Install and Use:** Simple wall installation with included hardware and intuitive pull-out and rewind operation.
- **Reliable Performance:** Supports up to 150 psi maximum pressure and up to 40 °C water temperature.
- **2-Year Warranty:** Backed by a 2-year manufacturer warranty for peace of mind.
