

Comfy Hip Protectors

- Hip protectors are shields worn over the hip bone to assist in preventing hip fracture in the event of a fall
- Hip protector shields can be either sewn into pants or removable
- Pants are generously made to accommodate incontinence pads
- Sewn-ins are generally recommended for use in aged care facilities, high care where loss of shields may be an issue
- Removable shields are generally for people still living independently
- **Removable pads are purchased separately (PTA512452)**
- Made in Australia from comfortable high quality cotton fabric that is manufactured in Australia (Cotton 90% / Spandex® 10%)
