

Insulated Mug

- Insulated Mug with Oversized Handle
- The Insulated Mug with Lid features a long handle with plenty of hand space to ensure a firm, secure grip to reduce the risk of dropping and subsequent spills
- This non-spill mug aids individuals with limited hand function or a weak grip
- For additional safety, the mug is made to prevent condensation, reducing slippage between the hands
- The handle extends the full length of the mug and provides plenty of hand space to ensure a firm, secure grip
- Designed to keep hot drinks hot and cold drinks cold, ensuring you can enjoy your iced tea or morning coffee longer
- The durable, lightweight polypropylene construction of the mug is BPA, phthalates, and latex free
- Not recommended for use in the microwave
- The Insulated Mug is dishwasher safe, making it easier and more convenient to clean between uses
- Capacity: 355 ml
