

Grab Rail - Concealed Fix - White Ripple Stainless Steel

Grab Rails - Concealed Fixing with White Ripple Stainless Steel

- Made to industry standards and of 304 grade stainless steel.
- Available in a number of different sizes from 300 mm length through to 1200 mm to provide security and safety in the bathroom, on steps or any area where support is required.
- Designed with a 32 mm diameter for a comfortable grip and higher weight-bearing capacity.
- Available in either a Steel Anti-Slip or White-Ripple Powder-coated finish.
- Conceal Fix means they are finished off with a snug fitting concealed cover plate (Screws & wall plugs provided).
- Note: check suitability for fit. Recommended to be installed by an authorised service person.
