

Dementia Care Glow in the Dark Toilet Seat

Designed to help prevent falls and provide high contrast definition and illumination for people suffering from dementia or vision impairment.

Allure Glow in the Dark Toilet Seats are made from strong, lightweight double moulded polypropylene, containing a proven anti-microbial substance to inhibit the growth of bacteria and microorganisms.

The Glow in the Dark Toilet Seats offer up to 12 hours glow time after 20 minutes exposure to adequate light source.

Appears a whitish colour in light and emits a soft, warm, blue glow at night.

Safe, strong and durable.
