

Aspire Monet Dual Action Lift Recline Chair

The Monet Dual Action offers an independent headrest function along with recline and tilt. The heating function provides warmth and comfort during the colder months whilst Zero Gravity tilt-in-space positioning creates a feeling of weightlessness and promotes pressure redistribution.

- **An Independent Adjustable Headrest** improves comfort whilst watching TV or reading a book
- **Integrated Lift and Recline** function for easy sit-to-stand
- **Extending Legrest** supports more of the lower legs for enhanced comfort
- **Heating Function** within the backrest provides warmth and comfort during the colder months
- **Zero Gravity** tilt-in-space positioning creates a feeling of weightlessness and promotes pressure redistribution
- **Backlit Hand Control** with an integrated USB charging point
- **Lithium Ion Battery Backup** ensures the chair can be used in the event of a power outage or if moved between rooms during the day
- Looking to protect your Electric Lift Recline Chair? Try our [Universal Chair Protector](#)
