

Stealth Zen Skin Protection

- Contoured base provides pelvic stability, lower extremity support, and increases overall surface contact area
- Posterior cutout provides relief at the coccyx and lower sacral region
- Top layer of Extra Extra Soft SunMate FRG foam provides optimal skin protection through immersive properties and improves micro-climate
- Coolcore is the standard cushion cover material that has proven temperature and moisture control
- Sub-trochanter support to increase lateral stability
- Maintains alignment of the femurs medially and laterally
