

Oxford Ascend Standing Lifter

- With it's great range of movement, the Ascend can transfer a patient from a low-seated position to fully extended with ease
- The Ascend is compact and easy to manoeuvre in confined spaces such as bathrooms and has many key design features that make it a truly flexible piece of equipment
- Its active lifting motion has been designed to encourage user participation, which ultimately promotes patient independence and well-being
- The kneepad can be adjusted within a 150 mm operating range to improve patient comfort during repositioning
- The removable foot tray allows the Ascend to be used as a walking aid - great for patients that require gait-training
- Ergonomic foot pad to assist with initiating movement
- Careful attention to product design ensures correct ergonomic usage, protecting both the patient and carer from injury at all times
- Item Weight: 47 kg
