

## TDX SR

- The TDX SR is built off the proven TDX SP platform
- The TDX SR builds off the proven TDX SP platform and offers the benefits of the Gearless Brushless TrueTrack Motors.
- The patented TrueTrack technology allows the chair to maintain its true forward path keeping the chair tracking straight on slopes, thresholds, and uneven terrain.
- TrueTrack minimizes the need for veer correction; therefore, diminishing fatigue for drivers.
- This feature is most beneficial for users of alternative driver controls, such as a head array or sips 'n puff system.
