Oxford Stature Patient Lifter

- The Stature lift recognises the true needs of the modern care environment, able to cope with even the most demanding and technical of patient handling situations
- Safe working load of 227 kg and great lifting ranges available (min 390 mm, max 1550 mm)
- The Stature can lift patients from the floor as well as accommodate transfers to higher surfaces, while allowing the choice of different sling systems
- Careful attention to product design ensures correct ergonomic usage, protecting both the patient and caregiver from injury
- Manual or powered cradles are available to assist with repositioning of patients
- The powered base allows the caregiver to open and close the legs without bending or twisting
- Ergonomic foot push-pad to assist with initiating movement
- Item Weight: 73.5 kg
