

Wonder Sheet - Fitted

- The 'Wonder Sheet' is an effective therapeutic tool because it can make your mobility in bed easier.
- The satin panel, which is 90cm long, sits under your shoulders, back and hips and allows you to slide your hips over more easily without having to lift them.
- Helpful when getting in and out of bed because you can pivot on your hips without worrying about the friction from normal cotton sheets.
- This unique design creatively combines 'Glossy Charmeuse' satin and a 50/50 blend cotton/polyester fabric which is beautiful to sleep on while being very durable.
- The 350 mm depth is suitable for mattresses up to 300 mm in height.
