

Stand Up Day Chair

Enjoy support and style with the Stand Up Day Chair which provides intuitive standing and sitting assistance and support without the need for electrical power.

- Works without power: Powered by a mechanical system, no electricity required.
- Spring-Assist System: Helps gently lift to standing and lower when sitting down.
- Adjustable lift strength Adjust the lift force to match your comfort needs.
- Built to Last: Tested to ensure reliable performance over time.
- Supports Joint Health: Designed to reduce knee strain, making standing easier.
- Easy Transitions: Move easily between sitting and standing to stay active.
