

Orientation Signs

- Orientation signs can provide an effective means to assist people who have difficulty navigating their environment
- Most effective signage is large, with bright, contrasting colours that feature words and symbols
- Suitable for people with dementia who are becoming disorientated to place
- Signage should be placed at eye height and preferably on the door it relates to
- Adhesive back
- 300 mm Length and 200 mm Width (300 mm for STOP sign)

Warranty Information

- 1 Year

✔ Contracted DVA product

✔ Contract approved
