

## Quickie Q500 - Rear Wheel Drive Base

- The new QUICKIE Q500® R rear-wheel drive wheelchair delivers an easy to handle and intuitive drive due to the drive wheel position
- Offers a good indoors ride as it is responsive with a compact chassis offering a tight turning circle
- Ultra-reliable high torque 4-pole motors powering speeds of 6 kph high torque or 10 kph standard
- Both drive wheels are connected by a pivot bar that absorbs the natural pull to one side when travelling across cambers and round corners at speed
- Prefer a firmer sportier ride, or a soft and comfortable one? Whatever your preference you can fine tune the Q500 R to suit you
- Max kerb climb: 80 mm
- Batteries: choice of 60 Ah

✔ Contract approved
