

F5 Corpus VS

permobil

- **Stand Without Compromise** Fully programmable standing sequences allow user position to be optimised using supine, semi-reclined or sit to stand techniques. Further customise standing positions with adjustable anterior chest pad, moldable knee supports and power articulating footplates.
- Combined a low center of gravity, optimised weight distribution and powerful high efficiency motors to offer enhanced base stability, obstacle climbing and chair responsiveness.
- Corpus®, the world’s leading ergonomic seating system provides power positioning: 85° - 180° of legrest elevation, 180° of power recline, and 50° of posterior tilt.
- ComfortRide™ Suspension provides superior vibration reduction, ride comfort and drive performance for the widest variety of driving scenarios.
- ActiveHeight™ elevation and ActiveReach™ forward tilt perform seamlessly with up to 14” of vertical seat adjustment and 45° of ActiveReach forward tilt capability.
- Stretch-Air covers offer a breathable, moisture resistant fabric material to enhance comfort and help protect underlying foam.
- Compatible with Amazon Alexa and Google Assistant through MyPermobil app, providing hands-free access to important wheelchair information.
