

Progeo - Exelle Vario

permobil

Progeo

- The Progeo Exelle Vario is a lightweight, folding wheelchair designed for the active user.
- Its contoured folding frame and the swing-in/out footrests enable easy transfers and storage.
- A variety of options to support seating and positioning such as the three legrest frame angles can address knee flexion/extension and spasticity management.
- The adaptability built into the frame makes this a versatile solution for many different users.
