

Magic Mobility XT4 Power Wheelchair

The XT4 builds on Magic Mobility's unrivalled experience in delivering extreme off-road 4x4 powerchair performance by offering even greater stability, range, comfort, and control than ever before. With advanced features and robust design, it is the ultimate chair for outdoor adventurers.

- Unstoppable off-road traction with high-torque 700 Watt motors
- High-capacity 115 Ahr batteries for extended range
- Superior patented suspension for smooth and stable rides
- Servo-powered steering for precise control - steers using a combination of differential wheel speeds and an industry-leading servo steering module.
- The chair's intuitive steering delivers a feeling of reliability, responsiveness and control, both in forward and reverse.
- Available in vibrant colours or sleek Midnight Black
- Aerodynamically styled, easy-to-maintain body panels
- Proudly Australian made since 1994
- Splash resistant (not waterproof)
- Compliant with Australian Standards 3696 and ISO7176
