

Mobility Cup Holder

- **Universal Fit:** Designed to securely hold a variety of cup sizes, including small bottles, coffee cups, and travel mugs.
- **Easy Installation:** Tool-free, quick attachment to mobility scooters and wheelchairs for added convenience.
- **Secure and Stable:** Anti-slip grips ensure that your drink stays in place, even when navigating bumpy terrain.
- **Durable and Weather-Resistant:** Built from sturdy materials, designed to withstand everyday use and various weather conditions.
- **Spill-Resistant Design:** Deep holder design helps prevent spills, keeping your drink steady during your ride.
- **Lightweight and Compact:** Slim, unobtrusive design that doesn't add extra bulk to your mobility scooter, wheelchair or walker.
