

Phone Holder

- **Universal Fit:** Compatible with most smartphones, ensuring a secure grip for all devices.
- **Easy Installation:** Quick and tool-free attachment to both mobility scooters, wheelchairs and Walkers for convenience.
- **Secure and Stable:** Anti-slip padding ensures your phone stays in place, even over bumps and uneven terrain.
- **Durable Construction:** Made from high-quality materials, designed to withstand daily use and various weather conditions.
- **Hands-Free Access:** Keep your phone within reach for navigation, calls, or entertainment, all while keeping your hands on the controls.
- **Compact and Lightweight:** Designed to be sleek and portable without adding extra bulk to your scooter or wheelchair.
