

Sheepskin Hi Temp Day Chair Overlay XD1900

- A lower cost pressure care solution, that removes the discomfort and noise experienced with plastic-based options, such as plastic air-filled overlays or alternating pressure mattresses
- Provides the ideal microclimate for a good sleep, looking after temperature and perspiration regulation, with the excellent air redistribution properties of a wool product
- Wool underlay decreases restlessness and improves sleep quality

- ✓ Contracted DVA product
- ✓ Contract approved
