

## Leg Lifter For Two Feet

- The Leg Lifter for Two Feet is a self-help product to help people to lift their legs on to or off a bed
- Made from strong vinyl with plastic inside to keep it straight, so the open loop can easily be placed over the feet
- Various hand loop options, so you can use your body weight to help lift the feet
- Wipeable vinyl material to help fight cross-infection (although the vinyl is stitched)
- Cleaning - Wipe clean with a hospital grade disinfectant. Wipe dry. Ensure the product is dry before using or storing

✓ Contracted DVA product
