

M3 Corpus

permobil

- **Made for More:** Meticulously engineered to help you maintain better positioning, feel more secure and reduce driving fatigue so you can conquer daily activities with ease. The compact base of the M3 offers maneuverability in tight spaces without sacrificing performance. Featuring the innovative FlexLink suspension geometry with independent caster swing-arms helping to keep you stable and in control as you traverse the obstacles in your world.
- FlexLink™ suspension and precision engineered CasterGlide™ technology to help ensure smooth, confident operation at any elevation, seat position or drive speed
- Corpus® Seating System provides you with more positioning options: 90°-180° of legrest elevation, 180° of power recline, 50° of posterior tilt.
- Seat elevation (14" Active Height) with integrated forward tilt (20° Active Reach) gives you the ultimate advantage in accessing your environment.
- 2X more powerful LED lights for true pathway lighting and enhanced visibility.
- Compatible with Amazon Alexa and Google Assistant through MyPermobil app, providing hands-free access to important wheelchair information such as your battery charge status, distance traveled, and power seat function usage.
- Compatible with many Bodilink accessories to support the highest level of comfort.
