

Ceiling Hoist - Prism - Transactive Xtra Fixed

- The Transactive XTRA fixed ceiling hoist allows for a large array of configurations, catering to changing needs, making it a suitable fixed lifting solution
- Digital display screen provides essential information for the user and caregiver
- Return to Charge (RTC) option automatically returns the hoist to its charger when required
- Manual wind down and raising allows the hoist to continue to be used during a power outage
- Low profile hoist unit is unobtrusive and provides greater lifting height
- Pneumatic handset is ideal for use in wet environments
- Smooth lifting/running tape with large lifting range
- Emergency Lowering allows for the safe lowering of the hoist in emergency situations
- Client safety is assured with locking latches to secure slings in place for all lifts
- Available in manual or powered traverse options

- ✓ Contracted DVA product
- ✓ Contract approved
