

## ROHO Mattress Section

- Dry flotation mattress system allows user to lie or sit comfortably for long periods
- Interconnected and flexible air cells provide protection and relief for user at risk of skin breakdown or already with early stage ulcers
- Adjustable air pressure to suit the user
- Flexibility provides effective friction and shear relief
- Drainage holes allow fluids to escape
- Note: Bedsize divided into 4 sections where ROHO Mattress Sections can be applied. 1, 2, 3 or 4 sections can be used in combination with foam sections where risk of pressure is not as critical
