

Q300M Captain

The Ultra-slim Q300 M Mini is the narrowest TRUE mid-wheel drive powerchair - and with a turning circle of just 1120 mm. This chair will take you places that other chairs can't fit.

- Captain seat provides a relaxed sitting position and features a semi recline fold down backrest.
- Seat pan allows to have the option to use your preferred cushion.
- Crash-test approved with Four-Point tie down restraint systems.
- Fits under the steering wheel of your wheelchair adapted vehicles.
- 12.5" Standard Drive wheels for the tightest manoeuvrability and indoor practicality.
- Narrow enough to be nimble in a crowded city.
- Anti-Pitch Technology keeps you safe and stable.
- All-wheel independent suspension for a smooth ride.
- A reliable VR2 control and a simple to control joystick which allows for intuitive operation.
