

Dementia Care Glowing Surround for Light Switch

- A plastic frame which glows green in the dark, and is designed to stick (using adhesive) over the surrounds of an existing wall mounted light switch or power point
- The glow recharges using natural or artificial light
- Will glow for up to 12 hours
- This is primarily used indoors, but may be used outdoors. Other light sources will reduce the impact of the glow
- No electrician required

Warranty Information

- 1 Year

✓ Contracted DVA product

✓ Contract approved
