

Ergonomic Heavy Duty Office Chair

- This chair has a mesh back, chrome-plated steel base and metal armrests with a moulded contoured padded seat.
- The adjustable back tilt, chair tilt, gas lift, back height and armrests will allow you to alter the chair in a way that suits you.
- This chair is AFRDI Rated Load Blue Tick certified, meaning this chair has been independently tested to withstand heavy duty usage longer than 8+ hours a day and is suitable for users up to 160kg.
