

DermaSaver Leg Tube Protection

- Protects fragile skin from pressure, friction and minor traumas that result in tears, bruising and minor abrasion
- The Dermasaver garments are soft and loose with ample air-flow reaching the skin constructed of two layers of soft, lightweight microspring textile, which allows air-flow and moisture transfer
- Anti-microbial - will not support growth of bacteria, latex free totally washable
- Sizing: Simply measure the circumference at the widest part of the calf. For borderline measurements, choose the larger size for extra comfort

✔ Contracted DVA product
