

K450

permobil

- **Love and laughter are the spice of life!** The all-wheel suspension system of the K450 MX provides a smooth ride, whether cruising the halls at school or heading out to the playground. The power seat-to-floor function lets children get down on the ground, perfect for story time, transfers and playing with others
- The seat-to-floor height ranges from 3" to 26", making it easy to sit at a table or counter and even to reach things down low
- Features R-Net electronics and has an array of power functions, including: seat elevator, seat-to-floor and optional power tilt
- The modular seating system has center mount adjustable legrests and comes with a free growth kit – something every kid needs
- Large flat tyres improve traction and reduce maintenance
