

Memory Foam Mattress Topper

- Memory Foam properties conform to body shape, cushioning load, reducing pressure on tissues
- Re-distributes weight away from high load areas such as shoulders, buttocks, hips and heels
- Ideal for all physiques and all sleeping positions
- Diffuses the body's pressure points for a more relaxed night's sleep
- Specially treated for the effective control of mould, mildew, bacteria and dustmites (one of the major triggers of asthma and allergies)
- Compensates for too-hard, too-soft, or sagging mattresses
