

Vicair Active O2 Cushion

- The Active O2 offers the unique combination of ergonomically shaped foam and Vicair SmartCells
- The four rear SmartCell compartments provide a high level of comfort and skin protection, and reduce pressure on the sitting bones and tailbone area
- The foam front makes transfers easy and feels steady and improves wheelchair handling
- The foam inlay is protected by an easy-to clean fluid-resistant liner. The rest of the cushion is 100% machine washable and breathable for optimal hygiene and perfect temperature & moisture regulation
- Perfect for active wheelchair users, who transfer frequently
- The Active O2 has an easy accessible storage pouch for precious belongings (keys, phone, wallet)
- Trochanter support firmer density to provide lateral stability - redistributes pressure to help create an ischial well
- SmartCell - Foam barrier limits sliding forward
- Ergonomically-shaped foam for easy transfers
- Ischial well - Two compartments for superior pressure reduction in the IT-coccyx area & extra positioning possibilities
