

PPE Dispenser

- **Nesting Base Design** - minimises stacking and storage space
- **Mobile Storage for key PPE** - ensure items such as sanitiser, wipes, gowns, masks and gloves are readily available
- **Sturdy Cast-Iron Base** - extremely stable to accommodate a full load of PPE items ready to dispense
- **Castors** - 5 x 75 mm castors for ease of movement with 2 x total locking, to secure in place when not in use
- **Wall Mounted PPE Dispenser** - readily available PPE equipment in a permanent location

Warranty Information

- 1 Year
