

TENA Pants Discreet

TENA Pants Women Discreet is designed specifically for the female shape. It offers protection with targeted absorption in the centre of the pant, where women need it most. Made from soft underwear-like breathable material with a discreet fit, lower waistline, and soft purple dragonfly pattern, to truly look and feel like women's underwear.

- Soft cotton-like, breathable material for skin health and comfort
- Ideal for light to moderate absorbency needs. Targeted absorption at the centre of the pant where women need it most
- Midrise with a lower waist band to resemble regular underwear
- A smaller core for greater discretion
- Indicator to identify the back of the product
- Odour Control for complete freshness
