

Aspire Pressure Reducing Adjustable Day Chair

- **Carrflex™ PU 4-Way Stretch Fabric** provides superior chemical resistance whilst retaining flexibility and breathability
- **High quality Australian memory foam** provides a comfortable and supportive surface, improving user comfort and pressure redistribution
- **Maximised Immersion and Envelopment** which is fundamental for a support surface to effectively redistribute pressure improving blood flow which promotes healing
- **Contoured Seat and Backrest Padding** designed for pressure redistribution and user comfort
- **Head Cushion** height adjustable and removable head cushion for extra comfort
- **Sturdy design** for a generous weight capacity of 160kg, yet lightweight for easy manoeuvrability
- **Height Adjustable Legs** with easy push button adjustment for comfortable positioning and changing needs
- **Tool Free Adjustment Points** allow the chair to be customised to suit long term use or readily adapted to suit multiple users
- **Adjustable Seat Depth, Width and Height** allows customised configuration to a user's needs and circumstances
- **Unique Width Adjustable Frames** cater to the full spectrum of users shapes and sizes
