

Aspire Pressure Reducing Adjustable Day Chair

- Carrflex™ PU 4-Way Stretch Fabric provides superior chemical resistance whilst retaining flexibility and breathability
- High quality Australian memory foam provides a comfortable and supportive surface, improving user comfort and pressure redistribution
- Maximised Immersion and Envelopment which is fundamental for a support surface to effectively redistribute pressure improving blood flow which promotes healing
- Contoured Seat and Backrest Padding designed for pressure redistribution and user comfort
- Head Cushion height adjustable and removable head cushion for extra comfort
- **Sturdy design** for a generous weight capacity of 160kg, yet lightweight for easy manoeuvrability
- Height Adjustable Legs with easy push button adjustment for comfortable positioning and changing needs
- **Tool Free Adjustment Points** allow the chair to be customised to suit long term use or readily adapted to suit multiple users
- Adjustable Seat Depth, Width and Height allows customised configuration to a user's needs and circumstances
- Unique Width Adjustable Frames cater to the full spectrum of users shapes and sizes
