ROHO

The LTV Seat Cushion is a non-medical cushion application for anyone who sits for extended periods of time. The LTV Seat Cushion is lightweight and easy to fold, making this the perfect cushion to take anywhere. Shape Fitting Technology® provides unsurpassed comfort. The LTV is made of interconnected air cells that allow air to slowly transfer from chamber to chamber and evenly distribute body weight pressure.

- Appropriate for everyday comfort and pressure injury prevention
- Interconnected air-filled cells to redistribute body weight and minimise pressure
- Padded cover or optional synthetic leather cover adds an extra level of comfort
- Lightweight design and air valve make it easy to fold and great for travel
- Height adjustable 1 - 2"
