

Spex Adjustable Back Support

- Easily solve upper torso needs for most wheelchair users with the Spex exceptional upholstery section. Incorporates Spex contouring cube system to allow on-the-spot customisations for torso comfort and asymmetry needs.
- Rectangle shape style fits between the wheelchair canes, while T shape sits in front of the wheelchair canes. New Surface style also sits in front of the canes and gives greater support in the shoulder and pelvic areas.
- Effortless customisations
- On-the-spot adaptations for changing postural needs
- Instant results
- Cubes can be removed and added at any time
- Contouring doesn't move or slip out of adjustment
- Additional contouring support wedges can be used to further enhance the degree of contouring.
