

ICON 60

ICON 60 is an adjustable, lightweight wheelchair made from aluminium. To make the chair more sporty or comfortable, users can make many adjustments including the seat depth, front and rear seat height, seat angle, and seat position to suit their needs and preferences. ICON 60 also features a backrest that can tilt forward up to 20 degrees or lean back up to 10 degrees, which can be folded down completely to transport easily.

- **Backrest Options:** Straight closed with or without foldable handles
- **Basic or Sports Seat:** Made of 3D breathable mesh fabric
- **Side Panels:** Carbon/aluminium, with/without fenders, and optional padded armrests
- **Open Footplate:** Also available in reinforced version for Track Wheel
- **Horizontal Scissor Brake:** With vertical sports brake option available

Warranty Information

- 2 Years
