

Edge 3 Stretto

The Edge 3 Stretto® is the narrowest, most manoeuvrable power base in America! This narrow wheelchair base is perfect for navigating tight corners and small spaces. With an overall width of 20.47" with 12.5" drive wheels, the Stretto® is the best narrow wheelchair for children, teenagers and small adults to use in the home.

- A true paediatric wheelchair. Although existing Quantum bases can accommodate paediatric seating, the narrow width of the Stretto® offers easy manoeuvring that children and teenagers love
- This kids wheelchair comes standard with a USB charger port and front and rear LED fender lights, so children can see and be seen
- The Stretto® is available with 12.5" or 14" drive wheels and optional 12" of iLevel® power adjustable seat height
- In addition to its narrow width, the Edge 3 Stretto® is equipped with independent SRS (Smooth Ride Suspension), which offers increased shock absorption due to the angle of the shocks
- Enjoy maximum obstacle climbing and increased overall comfort. With so many great features and benefits, the Stretto® is truly a milestone for paediatric power and the perfect child wheelchair choice!
- Tool-less removal of rear shroud with battery access door
- TRU-Balance 3 seating configurations

Code	Display Name	Safe Working Load	Seat To Floor Height	Seat To Footrest	Maximum Speed
