

DermaSver Slip-on Heel Protector

- Protects fragile skin from pressure, friction and minor traumas that result in tears, bruising and minor abrasion
- DermaSaver garments are soft and loose with ample air flow reaching the skin
- Anti-microbial – will not support growth of bacteria
- Latex free
- Designed with adjustable Velcro closures to enable proper and long term precise positioning on the heel without turning or sliding or slipping off the foot
- Five layers of MicroSpring textile cover the heel to reduce pressure and friction on the heel and malleolus
- Totally washable

- ✔ Contracted DVA product
- ✔ Contract approved
