

Freedom HD Wide Wheelchair - Self Propelled - 777

- The Freedom HD Wide Wheelchair - Self Propelled is an extra wide, heavy duty wheelchair with a frame constructed of sturdy steel
- It is ideally suited to demanding environments such as hospitals, nursing homes or other institutional use
- The frame features tough steel cross bars to reinforce the frame structure and allows it to safely manage individuals weighing up to 250kg
- The 60cm mag self-propel wheels are quick release removable and the “soft ride” polyurethane tyres are very durable and never require inflating
- Wide solid front castors
- Detachable footrests - swing inward and outward
- Park brake handle below seat height - easier side transfers
- Padded spill proof nylon upholstery fabric
- Padded armrest can be flipped up or removed completely
- Attendant handles are height adjustable
