

TENA Pants Plus

TENA Pants Plus are extra secure for both men and women and worn like normal underwear. FeelDry™ technology rapidly absorbs even large quantities of urine into the core and away from the skin so that, even when seated or lying down for long periods of time, you will stay dry and comfortable and the risk of skin rashes and infections is significantly reduced.

- Improved fit for greater security and discretion
- Ideal for moderate to heavy absorbency needs
- Clever design with elastic in just the right places
- Cotton like and breathable material, looks and feels just like regular underwear
- Odour Control™ for complete discretion
- Double leg cuffs for complete leakage protection
- FeelDry™ technology for outstanding dryness and moisture retention
