

Grab Rail Anti Slip - Concealed Fix

Grab Rails - Concealed Fixing

- High quality stainless steel grab rails
- Available in a number of different sizes from 300 mm length through to 1200 mm to provide security and safety in the bathroom, on steps or any area where support is required.
- Designed with a 32 mm diameter for a comfortable grip and higher weight-bearing capacity
- Available in either a Steel Anti-Slip or White-Ripple Powder-coated finish.
- They also feature concealed fixings

Note: check suitability for fit. Recommended to be installed by an authorised service person.
