

3G ARROW

- The Invacare 3G Arrow rear-wheel drive power wheelchair with TrueTrack technology has the flexibility and function to accommodate a variety of drivers with diverse needs and take them where they need to go in style
- The TrueTrack system makes power chair control easier than ever, while exposed suspension, aluminium mag wheels and a wrap-around battery enclosure provide sporty, rugged good looks.
- Available with a variety of options, the 3G Arrow is everything you could ask for in a power chair - and so much more
